### **Junction Day Care Centre Code of Conduct**

We all have the right to be respected and to be safe in our childcare community. The Junction Day Care Centre Code of Conduct sets clear standards of behaviour that apply to all individuals involved in the Junction Day Care community: students, parents/guardians, volunteers, staff, and Board members. These standards apply whether on centre property or at centre-sponsored events and activities. \* There is a separate policy for children outlined in the Suspension Withdrawal Policy.

All parents, after reviewing the Code of Conduct, are required to sign that they have read, understand the policy and agree to follow the Code of Conduct as outlined below. Any questions of clarification should be addressed to the supervisor.

- All members of the Junction Day care community are to be treated with respect and dignity regardless of race, creed, sexual orientation, disability or any other ground protected by the Ontario Human Right's Code.
- All adult members have the responsibility to act as models of good behaviour. Foul language (swearing, name-calling, shouting, threatening, de-meaning others) is not appropriate. Individuals engaging in such behaviours will be asked by the supervisor or acting supervisor to refrain from such behaviour. If the inappropriate behaviour continues, they will be asked to leave the premises immediately.
- Inappropriate behaviour or harassment of any kind towards a child, parent, staff person , student or volunteer, will result in immediate intervention up to and including the family's expulsion from the centre and/or police intervention. This type of behaviour includes but is not limited to harassment or intimidation by written note, email, words, gestures and/or body language.
- The privacy and confidentiality of children, parent/guardian, staff, students and volunteers is a requirement of the daycare. All concerns and comments should be addressed with Junction Day Care staff. Should this discussion not address your concerns, the next step is to review the situation with the Supervisor. Failing resolution with the Supervisor, the matter will be referred to the Board of Directors.
- In respect for confidentiality, staff and parents are to raise concerns in a private area, out of earshot of other children and parents.

When the safety of anyone in the daycare is threatened by violent or threatening behaviour, the two (2) weeks written notice of withdrawal is waived. The Supervisor and the President of the Board of Directors will meet with the parent/guardian immediately and the parent/guardian will be required to withdraw the child from Junction Day Care at a time set by the Board of Directors at its sole discretion.

I have read the Junction Code of Conduct and agree to the terms as stated.

## Information Sharing Consent Form

### Junction Day Care Centre

Ongoing communication between professionals involved in your child's day enhances his/her educational and childcare experience. In order to best serve children's needs, there are times when it is appropriate for the School and the Childcare Centre to exchange information about the children participating in both programs. The kind of information shared may include, but is not limited to, child's attendance, illness, transportation or behaviour issues.

Shared written information will be kept confidential and will be shared only during the time in which the child is enrolled in the child care centre, or upon the request of the parent.

In the event that is necessary to refer to clinical reports, Special Needs Consultants Reports, or Ontario Student Record (OSR) documents, parents will be asked to sign the appropriate consent form before such information is disclosed.

Your consent will give permission for the exchange of information between the school and the Child Care Centre.
